**Statement of Commissioner Chopra
on the Departure of Maureen Ohlhausen**

September 25, 2018

I want to congratulate Maureen Ohlhausen on her service as Federal Trade Commissioner. She has served the Federal Trade Commission in so many roles, including as the agency's acting chair.

In addition to her years of dedicated service, I especially want to thank her for her strong commitment to close and constructive engagement with Chinese competition enforcers in the process of standing up their own agencies. She has earned the respect of many of our colleagues around the world, especially in China. It will be critical to ensure that Maureen's work continues.

I wish her the best of luck and have been honored to serve alongside her.
