Re: Tisha A. Thompson d/b/a Jacobs Tobacco Company  
Warning Rotation Plan for the dis COUNT,  
Nations Best, and Turquoise Brands

Dear Ms. Engle:

Jacobs is the manufacturer of the dis COUNT, Nations Best, and Turquoise brands. Its manufacturing facility is located at 344 Frogtown Road, Hogansburg, NY 13655. Tisha A. Thompson is owner and General Manager. Jacobs did not import or export any cigarettes in 2013.

Jacobs sales of dis COUNT, Nations Best and Turquoise in 2013 was [redacted] sticks. Jacobs anticipates that its sales in 2014 will be [redacted] sticks, which should qualify the company for the Section 1333(c)(2) exemption.

Jacobs produces dis COUNT cigarettes in twelve (12) hard box brand styles. Jacobs requests that the following twelve (12) styles be included in the Plan:

dis COUNT Full Flavor, dis COUNT Gold, dis COUNT Silver, dis COUNT Menthol, dis COUNT Menthol Gold, dis COUNT Full Flavor 100’s, dis COUNT Gold 100’s, dis
COUNT Silver 100’s, dis COUNT Menthol 100’s, dis COUNT Menthol Gold 100’s, dis COUNT Full Flavor Canadian, dis COUNT Gold Canadian

Jacobs produces Nations Best cigarettes in twelve (12) hard box brand styles. Jacobs requests that the following twelve (12) styles be included in the Plan.

Nations Best Full Flavor, Nations Best Gold, Nations Best Silver, Nations Best Menthol, Nations Best Menthol Gold, Nations Best Full Flavor 100’s, Nations Best Gold 100’s, Nations Best Silver 100’s, Nations Best Menthol 100’s, Nations Best Menthol Gold 100’s, Nations Best Full Flavor Canadian, Nations Best Gold Canadian

Jacobs produces Turquoise cigarettes in two (2) hard box brand styles. Jacobs requests that the following two (2) styles be included in the Plan.

Turquoise Menthol Gold 100’s, Turquoise Menthol Silver 100’s

The warnings will appear exactly as shown on the samples of dis COUNT, Nations Best, and Turquoise packaging submitted on December 13, 2011, and the additional sample of Nations Best Full Flavor 100’s pack enclosed with my letter dated January 20, 2012. Beginning on the date of approval of this Plan, Jacobs will ensure that the printer will print all 4 warnings in equal numbers on each printed sheet of packaging for all cartons and packs, so when sheets are cut, the display of warnings will be approximately equalized on packs and cartons for each brand style. Based on the above, Jacobs requests approval to use the rotation option provided in Section 1333(c)(2) of the FCLAA. Jacobs will keep records demonstrating compliance with this Plan.

Jacobs does not advertise at this time. Should Jacobs later decide to advertise, it will submit an advertising Plan to the Commission in advance.

We submit that the foregoing complies with the requirements of the FCLAA, and request expedited approval of this request. Should you require any additional information in order to review and approve the health warning rotation plan of Jacobs for the dis COUNT, Nations Best and Turquoise brands, please feel free to contact me at any time. Please fax the approval of the Plan to me at (F) 804-698-5140.

Sincerely,

Nancyellen Keane
The Federal Trade Commission has delegated to the Associate Director for Advertising Practices its authority to review cigarette health warning display plans submitted to the Commission pursuant to Section 1333(c) of the Federal Cigarette Labeling and Advertising Act, 15 U.S.C. §§ 1331-1341 (“the Cigarette Act”). Pursuant to that delegation, I have reviewed a proposed plan filed on behalf of Tisha A. Thompson d/b/a Jacobs Tobacco Company (“Jacobs”) on January 23, 2014, calling for simultaneous display (i.e., the alternative to quarterly rotation) of the four health warnings on packaging for certain varieties of the dis COUNT, Nations Best, and Turquoise brands of cigarettes.

Jacobs’s sales appear to qualify for the aforementioned alternative to quarterly rotation of the warnings on packaging, and the warnings on the sample packs and cartons submitted with your letters dated December 13, 2011, and January 20, 2012 continue to appear to meet the requirements of the Cigarette Act in force as of the date of this letter for size and conspicuousness.

Accordingly, Jacobs’s plan for simultaneous display of the four health warnings on packaging is hereby approved for the following varieties:

- Twelve box varieties of the dis COUNT brand: Full Flavor (Kings and 100’s), Gold (Kings and 100’s), Silver (Kings and 100’s), Menthol (Kings and 100’s), Menthol Gold (Kings and 100’s), Full Flavor Canadian Kings, and Gold Canadian Kings;
- Twelve box varieties of the Nations Best brand: Full Flavor (Kings and 100’s), Gold (Kings and 100’s), Silver (Kings and 100’s), Menthol (Kings and 100’s), Menthol Gold (Kings and 100’s), Full Flavor Canadian Kings, and Gold Canadian Kings; and

Jacobs stated in its January 23, 2014 letter that the four health warnings will appear exactly as shown on the packs and cartons submitted on these dates.
• Two box varieties of the Turquoise brand: Menthol Gold 100’s, and Menthol Silver 100’s.

Approval of the plan is contingent on its good faith implementation. We may ask for information demonstrating proper implementation of the plan. The Cigarette Act provides that any person who violates its provisions is guilty of a misdemeanor.

If Jacobs decides to advertise in the future, it must submit a plan detailing how it will comply with the requirements of the Cigarette Act with respect to display of the health warning statements in advertisements.

Please note that this letter only approves Jacobs’s cigarette health warning statement rotation plan with respect to the statutory requirements in force prior to the June 22, 2009 enactment of the Family Smoking Prevention and Tobacco Control Act (“FSPTCA”) concerning the rotation, size, and conspicuousness of the warnings on Jacobs’s packaging. Moreover, it is not in any way an approval of any other design element, statement, or representation made on packaging for Jacobs’s cigarettes. Nor does this letter purport to interpret or express any opinion about the adequacy of Jacobs’s packaging under the FSPTCA or any regulations that have been or might be promulgated by the Department of Health and Human Services under that statute, including but not limited to the Regulations Restricting the Sale and Distribution of Cigarettes and Smokeless Tobacco to Protect Children and Adolescents (published March 19, 2010).

Because the FSPTCA imposes additional legal requirements on the marketing and sale of cigarettes, you should ensure that you are in compliance with those requirements. For example, since September 22, 2009, the use of certain characterizing flavors (other than tobacco or menthol) in cigarettes has been prohibited. You can find additional information at www.fda.gov/TobaccoProducts/default.htm, and sign up for FDA email updates at www.fda.gov/TobaccoProducts/ResourcesforYou/ucm176164.htm.

This approval is effective on the date of this letter and runs through January 28, 2015, or until the authority to approve cigarette health warning statement plans moves from the FTC to the FDA, whichever comes first.

If you have any questions regarding this approval, please contact William Ducklow at (202) 326-2407.

Very truly yours,

Mary K. Engle

RE: Application to Renew Vector Tobacco Inc. Consolidated Rotation Plan
   For Eagle 20’s, Silver Eagle, and USA Cigarette Brands and Brand Styles

Dear Ms. Engle:

Vector Tobacco Inc. ("Vector Tobacco") hereby submits this renewal application for its consolidated warning rotation plan (the "Plan") pursuant to the Federal Cigarette Labeling and Advertising Act (the "Act"), 15 U.S.C. § 1333(c). We are requesting simultaneous rotation of the four required warnings, in accordance with 15 U.S.C. § 1333(c)(2)(C), for the Vector Tobacco brands and brand styles of: (1) Eagle 20’s, (2) Silver Eagle, and (3) USA listed on Exhibit B.

Vector Tobacco’s current rotation plan was approved on February 5, 2013 and will expire on February 4, 2014. Vector Tobacco requests that the FTC renew Vector Tobacco’s Plan with respect to all brand styles of Eagle 20’s, Silver Eagle, and USA listed on Exhibit B. Through the date of this request, the Surgeon General’s warnings on the packages for the Eagle 20’s, Silver Eagle, and USA brand styles have been equalized, in accordance with the existing label rotation plan. Vector Tobacco box and soft pack labels are printed in such a way that all four warnings are printed with each revolution of one printing cylinder. For the cartons, two printing cylinders are alternated during the printing process to achieve equal warnings within a single pallet of packaging. Materials are palletized containing all four warnings on each pallet of packs and cartons. On a pallet, the box packs and cartons are stacked in bundles of 500 containing a mix of the four warnings and for the soft pack labels rolls each containing a mix of the four warnings. In the manufacturing process, packaging is taken from the pallet and loaded into the packaging equipment as it is removed from the pallet, in the order that it is on the pallet, without any attempt to adjust or control that order. Accordingly, as the pallets of packing are used in the
manufacturing process, the cigarettes produced using that packaging from those pallets will bear each of the four warnings in equal numbers, subject to limitations to the commercial printing and manufacturing practices.

Therefore, Vector Tobacco hereby requests that the FTC renew Vector Tobacco’s Plan with respect to all brand styles of Eagle 20’s, Silver Eagle, and USA listed on Exhibit B. This application is for a one-year period beginning on the date of approval of this application.

Enclosed with this letter, is an affidavit of Nicholas P. Anson, Vice President of Finance, with Exhibits A and B, which set forth information on total U.S. and Vector Tobacco cigarette sales in calendar year 2013 for the brand styles of the Vector Tobacco brands, establishing that all brand styles covered by the Plan qualify for simultaneous rotation.

The information contained in the affidavit and exhibits is confidential and proprietary business information of Vector Tobacco. We ask that this information be kept confidential by the FTC, pursuant to its applicable rules and procedures.

The four health warnings required by 15 U.S.C. § 1333(a)(1) shall be printed on the packs and cartons of each brand style of the Vector Tobacco brands an equal number of times within the one year period beginning on the date of approval of this Plan. These warnings will appear exactly as shown on the pack and carton packaging samples provided with my January 13, 2014 letter for all four warnings, for the Eagle 20’s, Silver Eagle, and USA brand styles that are listed on Exhibit B.

Note that the following brand styles have been discontinued and that there have been no units sold in 2013:

- SILVER EAGLE Non-Filter Kings Soft Pack
- SILVER EAGLE Full Flavor 100’s Soft Pack
- SILVER EAGLE Gold 100’s Soft Pack
- USA Kings (Full Flavor) Soft Pack
- USA Blue Kings Soft Pack

This will also confirm that Vector Tobacco, in the ordinary course of business, maintains records of compliance with the Plan.

Thank you for your attention to this matter. If you have any questions, please contact me.

Very truly yours,

Victoria Spier Evans

Corporate Counsel  
Vector Tobacco Inc.

Suite 250  
P.O. Box 2010  
Morrisville, NC 27560  

Dear Ms. Evans:

The Federal Trade Commission has delegated to the Associate Director for Advertising Practices its authority to review cigarette health warning display plans submitted to the Commission pursuant to Section 1333(c) of the Federal Cigarette Labeling and Advertising Act, 15 U.S.C. §§ 1331-1341 ("the Cigarette Act"). Pursuant to that delegation, I have reviewed a revised proposed plan filed by Vector Tobacco Inc. ("Vector") on January 24, 2014, calling for simultaneous display (i.e., the alternative to quarterly rotation) of the four health warnings on packaging for Eagle 20's, Silver Eagle, and USA brands of cigarettes.

Vector's sales appear to qualify for the aforementioned alternative to quarterly rotation of the warnings on packaging, and the warnings on the sample packs and cartons submitted on January 13, 2014 appear to meet the requirements of the Cigarette Act in force as of the date of this letter for size and conspicuousness.

Accordingly, Vector's plan for simultaneous display of the four health warnings on packaging is hereby approved for the following varieties:

- Eleven varieties of the Eagle 20's brand: Non-Filter Kings box, Blue 100' box, Blue Kings box, Menthol Gold 100's box, Menthol Gold Kings box, Orange 100's box, Orange Kings box, Red 100's box, Red Kings box, Menthol Silver 100's box, Menthol Silver Kings box;

- Eleven varieties of the Silver Eagle brand: Full Flavor Kings box, Full Flavor 100's box, Gold Kings box, Gold 100's box, Blue 100's box, Menthol Full Flavor Kings box, Menthol Full Flavor 100's soft pack, Menthol Kings box, Menthol 100's soft pack, Blue Slims 120's box, and Menthol Slims 120's box; and
• Fourteen varieties of the USA brand: Kings (Full Flavor) box, 100's (Full Flavor) box, 100's (Full Flavor) soft pack, Blue Kings box, Blue 100's soft pack, Blue 100's box, Silver 100's soft pack, Menthol 100's (Full Flavor) soft pack, Menthol Kings (Full Flavor) box, Menthol 100's (Full Flavor) box, Menthol Silver 100's soft pack, Menthol Silver 100's box, Silver 100's box, and Menthol Silver Kings box.

Approval of the plan is contingent on its good faith implementation. We may ask for information demonstrating proper implementation of the plan. The Cigarette Act provides that any person who violates its provisions is guilty of a misdemeanor.¹

Please note that this letter only approves Vector’s cigarette health warning statement rotation plan with respect to the statutory requirements in force prior to the June 22, 2009 enactment of the Family Smoking Prevention and Tobacco Control Act (“FSPTCA”) concerning the rotation, size, and conspicuousness of the warnings on Vector’s packaging. Moreover, it is not in any way an approval of any other design element, statement, or representation made on packaging or in advertising for Vector’s cigarettes. Nor does this letter purport to interpret or express any opinion about the adequacy of Vector’s packaging and advertising under the FSPTCA or any regulations that have been or might be promulgated by the Department of Health and Human Services under that statute, including but not limited to the Regulations Restricting the Sale and Distribution of Cigarettes and Smokeless Tobacco to Protect Children and Adolescents (published March 19, 2010).

Because the FSPTCA imposes additional legal requirements on the marketing and sale of cigarettes, you should ensure that you are in compliance with those requirements. For example, since September 22, 2009, the use of certain characterizing flavors (other than tobacco or menthol) in cigarettes has been prohibited. You can find additional information at www.fda.gov/TobaccoProducts/default.htm, or www.fda.gov/TobaccoProducts/ResourcesforYou/ForIndustry/default.htm, and sign up for FDA email updates at www.fda.gov/TobaccoProducts/ResourcesforYou/ucm176164.htm.

This approval is effective on the date of this letter and runs through February 3, 2015, or until the authority to approve cigarette health warning statement plans moves from the FTC to the FDA, whichever comes first.

If you have any questions regarding this approval, please contact Arien Parham at (202) 326-2696.

RE: Lignum-2, L.L.C. CIGARETTE LABELING ROTATION PLAN

Dear Ms. Engle:

The following provides the 2014 Cigarette Labeling Rotation plan for the Rave brand of Lignum-2, L.L.C., 5900 North Andrews Avenue, Ft. Lauderdale, FL 33309. This letter requests approval of a plan to conduct manufacturing operations so that the four health warnings specified in 15 U.S.C. 1331, Section 4 (a) (1), Federal Cigarette Labeling And Advertising Act (the “Act”), shall appear on the packs and cartons of each brand style of Rave cigarettes, an equal number of times during the twelve month period starting from the date this plan is approved by the FTC. During 2014, the Rave brands will be offered in nine styles as listed in Exhibit A. Rave is the only brand that Lignum-2 manufactures, and Lignum-2 does not import any cigarette brands.

Based on the sales volume for the fiscal year ending September 30, 2013, none of the Rave brand styles exceeded one-fourth of one percent of cigarettes sold in the United States. Sales volume for each of the Rave styles is reported in the attached Exhibit B. Industry sales for the corresponding one year period ending September 30, 2013 are estimated to be [redacted] units. The sources of industry sales are The Maxwell Report: Fourth Quarter 2012 and First, Second and Third Quarters, 2013.

Lignum-2 total sales volume for the fiscal year 2013 was [redacted] units. Lignum-2 estimated total sales volume for 2014 is [redacted] units.

For all Rave brand styles, each of the four statutory warnings will be displayed an equal number of times on all packs and cartons in a process during manufacturing that will ensure an equal number of each warning notice being used for packs and cartons for each brand style for the one year period beginning on the date of the approval of this plan. To ensure this, Lignum-2 will require one-fourth of each package and carton material order to be printed with each of the four warnings. Lignum-2 will maintain records documenting compliance with the rotation plan.

In addition, Lignum-2 will continue to use the advertising plan approved May 14, 2009 for the Rave brand.

If you require any additional information please contact me.

Sincerely,

Millie Lukose

Dear Ms. Lukose:

The Federal Trade Commission has delegated to the Associate Director for Advertising Practices its authority to review cigarette health warning display plans submitted to the Commission pursuant to Section 1333(c) of the Federal Cigarette Labeling and Advertising Act, 15 U.S.C. §§ 1331-1341 ("the Cigarette Act"). Pursuant to that delegation, I have reviewed a revised proposed plan filed by Lignum-2, Inc. on February 3, 2014, calling for simultaneous display (i.e., the alternative to quarterly rotation) of the four health warnings on packaging for certain varieties of the Rave brand of cigarettes.

Lignum-2's sales appear to qualify for the aforementioned alternative to quarterly rotation of the warnings on packaging, and the warnings on the sample packs and cartons submitted with Lignum-2's letter dated January 12, 2010 continue to meet the requirements of the Cigarette Act in force as of the date of this letter for size and conspicuousness. Accordingly, Lignum-2's plan for simultaneous display of the four health warnings on packaging is hereby approved for the following nine varieties of the Rave brand: Red Kings box, Red 100's (soft pack and box), Gold Kings box, Gold 100's (soft pack and box), Menthol Kings box, and Menthol 100's (soft pack and box).

Approval of Lignum-2’s plan is contingent on its good faith implementation. We may ask for information demonstrating proper implementation of the plan. The Cigarette Act provides that any person who violates its provisions is guilty of a misdemeanor.

1 Lignum-2 stated in its February 3, 2014 letter that the four health warnings will appear exactly as shown on the packs and cartons submitted on January 12, 2010.

Moreover, it is not in any way an approval of any other design element, statement, or representation made on packaging or in advertising for Lignum-2’s cigarettes. Nor does this letter purport to interpret or express any opinion about the adequacy of Lignum-2’s packaging and advertising under the FSPTCA or any regulations that have been or might be promulgated by the Department of Health and Human Services under that statute, including but not limited to the Regulations Restricting the Sale and Distribution of Cigarettes and Smokeless Tobacco to Protect Children and Adolescents (published March 19, 2010).

Because the FSPTCA imposes additional legal requirements on the marketing and sale of cigarettes, you should ensure that you are in compliance with those requirements. - Seneca Silver Box 100’s
- Seneca Menthol Box 100’s
Also on December 5, 2012, the FTC approved Rock River’s equalization plan for the following brand styles which Rock River intends to manufacture: One Spirit Full Flavor 100’s Box, One Spirit Smooth 100’s Box, One Spirit Ultra Smooth 100’s Box, One Spirit Menthol 100’s Box, and One Spirit Menthol Smooth 100’s Box. Due to the FDA approval process, however, Rock River has not started manufacturing any of the above listed One Spirit brands and therefore is not seeking renewal of its equalization plan for One Spirit when it receives approval. Rock River will submit its equalization plan for One Spirit to FTC prior to manufacture.

The warnings on the Seneca and Couture brands have and will continue to appear exactly as shown on the sample packs and cartons enclosed with our September 28, 2012 letter and with the sample pack of Seneca Menthol Kings and carton of Seneca Full Flavor Soft 100’s enclosed with the letter delivered to FTC on November 9, 2012. The sample packaging enclosed with the letter delivered on November 9, 2012 did not require correction but rather was inadvertently omitted from our September 28, 2012 submission.

In addition Rock River seeks approval for its equalization plan for the Opal brand of cigarettes of the following varieties: Opal Full Flavor Box 120’s, Opal Smooth Box 120’s, Opal Ultra Box 120’s, Opal Menthol Box 120’s, Opal Smooth Menthol Box 120’s. Copies of the actual packages and cartons of the Opal brand family with the required warnings exactly as they will appear on the actual packages and cartons imported by Rock River were submitted to the FTC on December 3, 2013.

**B. Warning Label Rotation: 1332(c)(2) Election**

Rock River wishes to employ the option for simultaneous display of the four health warnings by displaying the four required warning labels an equal number of times on the packages and cartons of each of the foregoing brand styles of the Seneca, Couture and Opal brands for the one year period beginning on the date of approval of this plan.

Rock River’s sales figures for the imported Seneca, Couture, and Opal brands for October 2012 through October 2013 by brand style by sticks are as follows:
Seneca Full Flavor Soft King
Seneca Blue Soft King
Seneca Silver Soft King
Seneca Menthol Soft King
Seneca Smooth Menthol Soft King
Seneca Full Flavor Box King
Seneca Medium Box King
Seneca Blue Box King

Opal Smooth Box 120’s Sticks
Opal Ultra Smooth Box 120’s Sticks
Opal Menthol Box 120’s Sticks
Opal Menthol Smooth Box 120’s Sticks

Based on the foregoing sales volume, it appears that each of the foregoing brand styles qualifies for warning label equalization as sales of each brand style were less than one-fourth (1/4th) on one percent (1%) of all of the cigarettes sold in the United States.

Rock River has and will continue to comply with the Cigarette Act by having its supplier of packaging for its imported Seneca, Couture and Opal brands, White House Graphics, print the four surgeon general warnings simultaneously in equal numbers at the time of both the pack and carton print runs. The four warnings have been and will continue to be displayed on the packs and cartons of each brand style of the Seneca, Couture, and Opal an equal number of times during the one year period following the date of approval of this plan by the FTC. Rock River will keep records demonstrating compliance with this plan.

II. ADVERTISING

Rock River Manufacturing does not at this time intend to advertise the Seneca, Couture and Opal brands of cigarettes it imports.

Thank you for your attention to this matter and for your assistance. If you have any questions or comments with respect to any of the foregoing, please do not hesitate to contact me.

Sincerely,

Ben Fenner, Regulatory Compliance Officer

SURGEON GENERAL'S WARNING:

Dear Mr. Fenner:

The Federal Trade Commission has delegated to the Associate Director for Advertising Practices its authority to review cigarette health warning display plans submitted to the Commission pursuant to Section 1333(c) of the Federal Cigarette Labeling and Advertising Act, 15 U.S.C. §§ 1331-1341 ("the Cigarette Act"). Pursuant to that delegation, I have reviewed a revised proposed plan filed on behalf of Rock River Manufacturing ("Rock River") on February 4, 2014, calling for simultaneous display (i.e., the alternative to quarterly rotation) of the four health warnings on packaging for certain varieties of the Seneca, Couture, and Opal brands of cigarettes.

Rock River's sales appear to qualify for the aforementioned alternative to quarterly rotation of the warnings on packaging, and the warnings on the sample packs and cartons submitted with Rock River's letters on the following dates appear to meet the requirements of the Cigarette Act in force as of the date of this letter for size and conspicuousness:

<table>

<tbody>
<tr>
<td>Seneca</td>

<td>Couture</td>

</tr>
<tr>
<td>Opal</td>
<td>December 3, 2013</td>

</tbody>
</table>

Accordingly, Rock River's plan for simultaneous display of the four health warnings on packaging is hereby approved for the following varieties:

- Thirty-four varieties of the Seneca brand: Full Flavor Kings (soft pack and box), Blue Kings (soft pack and box), Silver Kings (soft pack and box), Menthol Kings (soft pack

and box), Smooth Menthol Kings (soft pack and box), Medium Kings box, Non-Filter Kings box, Chill Kings box, Full Flavor 100’s (soft pack and box), Blue 100’s (soft pack and box), Silver 100’s (soft pack and box), Menthol 100’s (soft pack and box), Smooth Menthol 100’s (soft pack and box), Extra Smooth Menthol 100’s (soft pack and box), Medium 100’s box, Full Flavor 120’s box, Smooth 120’s box, Ultra 120’s box, Menthol 120’s box, Smooth Menthol 120’s box, Full Flavor 72’s box, Blue 72’s box, and Menthol 72’s box:

- Six “Slims” king size box varieties of the Couture brand: Ruby, Amethyst, Diamond, Sapphire, Turquoise, and Aquamarine; and

- Five box varieties of the Opal brand: Full Flavor 120’s, Smooth 120’s, Ultra 120’s, Menthol 120’s, and Smooth Menthol 120’s.

Approval of the plan is contingent on its good faith implementation. We may ask for information demonstrating proper implementation of the plan. The Cigarette Act provides that any person who violates its provisions is guilty of a misdemeanor.

If Rock River decides to advertise in the future, it must submit a plan detailing how it will comply with the requirements of the Cigarette Act with respect to display of the health warning statements in advertisements.

Please note that this letter only approves Rock River’s cigarette health warning statement rotation plan with respect to the statutory requirements in force prior to the June 22, 2009 enactment of the Family Smoking Prevention and Tobacco Control Act ("FSPTCA") concerning the rotation, size, and conspicuousness of the warnings on Rock River’s packaging. Moreover, it is not in any way an approval of any other design element, statement, or representation made on packaging for Rock River’s cigarettes. Nor does this letter purport to interpret or express any opinion about the adequacy of Rock River’s packaging under the FSPTCA or any regulations that have been or might be promulgated by the Department of Health and Human Services under that statute, including but not limited to the Regulations Restricting the Sale and Distribution of Cigarettes and Smokeless Tobacco to Protect Children and Adolescents (published March 19, 2010).

Because the FSPTCA imposes additional legal requirements on the marketing and sale of cigarettes, you should ensure that you are in compliance with those requirements. For example, since September 22, 2009, the use of certain characterizing flavors (other than tobacco or menthol) in cigarettes has been prohibited. You can find additional information at www.fda.gov/TobaccoProducts/default.htm, and sign up for FDA email updates at www.fda.gov/TobaccoProducts/ResourcesforYouucm176164.htm.

This approval is effective on the date of this letter and runs through February 4, 2015, or until the authority to approve cigarette health warning statement plans moves from the FTC to the FDA, whichever comes first.

Re: Great Swamp Enterprises, Inc.
Health Warning Rotation Plan for the Cayuga Brand of Cigarettes

Dear Ms. Engle:

Great Swamp’s first equalization plan was approved by the Federal Trade Commission (the “FTC”) on March 3, 2011. Further, the company has renewed its plan annually since that time. The effective date of its current plan runs through February 18, 2014 as noted in the attached letter from your office dated February 19, 2013.

There has been no material change in Great Swamp’s operations since the submission of its most recent equalization plan, as summarized below.

Great Swamp is the manufacturer of the Cayuga Brand. Its manufacturing facility is located at 61 Ovid Street, Seneca Falls, NY 13148 (Tel: 315/568-6457). Betty Jane Radford is the General Manager. It currently manufactures a single brand of cigarettes—the Cayuga Brand—but it does not import or export any cigarettes.

The fiscal year for Great Swamp is the calendar year. During 2013, Great Swamp’s actual sales of all brand styles of the Cayuga Brand totaled
Cayuga Brand cigarettes are sold in eleven (11) hard box brand styles. Great Swamp requests that the following eleven (11) styles be included in the Plan:

- Cayuga Dark Green Kings
- Cayuga Medium Green Kings
- Cayuga Red Kings
- Cayuga Blue Kings
- Cayuga Gold Kings
- Cayuga Dark Green 100’s
- Cayuga Medium Green 100’s
- Cayuga Light Green 100’s
- Cayuga Red 100’s
- Cayuga Blue 100’s
- Cayuga Gold 100’s

These are the exact same brand styles that were the subject of the equalization plan submitted on February 6, 2013, as approved by the FTC on February 19, 2013; Great Swamp does not manufacture any cigarettes beyond these eleven (11) brand styles.

The warnings will appear exactly as shown on the samples of Cayuga packaging submitted with our letter to the FTC dated February 18, 2011. Great Swamp is aware that the Food and Drug Administration (the “FDA”) may assume jurisdiction, at any time during 2014, for warning label compliance. Great Swamp has devised a rotation plan that is intended to ensure the equalized use of the four health warnings on all packs and all cartons for each brand style covered by the Plan for the one-year period beginning on the date of approval of this Plan. Specifically, it will accomplish this objective by ordering packaging materials containing an equal number of the four health warnings. It will then employ its packaging inventory in such a way as to ensure the equalized use and rotation of the four health warnings on all packs and all cartons of each brand style of the Cayuga Brand. Based on the above, Great Swamp requests approval to use the rotation option provided in Section 1333(c)(2) of the FCLAA (i.e., the alternative to quarterly rotation). Great Swamp will keep records demonstrating compliance with this Plan.

Great Swamp does use print advertising to promote its products. On December 5, 2012, Great Swamp submitted a revised proposed plan for the quarterly rotation of the four health warnings in print advertising up to 720 square inches in size for the Cayuga brand of cigarettes. Great Swamp’s advertising rotation plan was approved by the FTC on December 11, 2012.

---

1 Although colors are used in the name of each Cayuga brand style, those names are not printed on any cigarette packaging. For example, the words “Light Green” do not appear on the packaging of “Light Green Kings.” However, the color used for each brand style’s packaging does conform to the color used in its name.
We submit that the foregoing complies with the requirements of the FCLAA, and request expedited approval of this request. Should you require any additional information in order to review and approve the health warning rotation plan of Great Swamp Enterprises, Inc. for the Cayuga brand, please feel free to contact me at any time. Please fax the approval of the Plan to me at 202/464-0404 (F); alternatively, you may email it to me at: eff@f-slaw.com. Thank you for your assistance.

Sincerely,

Dear Mr. Facer:

The Federal Trade Commission has delegated to the Associate Director for Advertising Practices its authority to review cigarette health warning display plans submitted to the Commission pursuant to Section 1333(c) of the Federal Cigarette Labeling and Advertising Act, 15 U.S.C. § 1331 et seq. ("the Cigarette Act"). Pursuant to that delegation, I have reviewed a proposed plan filed on behalf of Great Swamp Enterprises, Inc. ("Great Swamp"), on February 6, 2013, calling for simultaneous display (i.e., the alternative to quarterly rotation) of the four health warnings on packaging for eleven box varieties of the Cayuga brand of cigarettes.

Great Swamp’s sales appear to qualify for the aforementioned alternative to quarterly rotation of the warnings on packaging, and the warnings on the sample packs and cartons submitted with your letter dated February 18, 2011 continue to meet the requirements of the Cigarette Act in force as of the date of this letter for size and conspicuousness. Accordingly, Great Swamp’s plan for simultaneous display of the four health warnings on packaging is hereby approved for the following eleven box varieties of the Cayuga brand: Dark Green (Kings and 100’s), Medium Green (Kings and 100’s), Red (Kings and 100’s), Blue (Kings and 100’s), Gold (Kings and 100’s), and Light Green 100’s.

---

1 Great Swamp stated in its February 6, 2013 letter that the four health warnings will appear exactly as shown on the sample packs and cartons submitted on February 18, 2011.

2 As set forth in its February 6, 2013 letter, Great Swamp is using colors to identify its cigarette varieties (e.g., “Light Green 100’s”). We note that the color names are not printed on the packaging (e.g., the words “Light Green” do not appear on the packaging of the “Light Green 100’s” variety); however, the color used for a variety’s packaging does conform to the color used in its name.
Approval of the plan is contingent on its good faith implementation. We may ask for information demonstrating proper implementation of the plan. The Cigarette Act provides that any person who violates its provisions is guilty of a misdemeanor.

Please note that this letter only approves Great Swamp’s cigarette health warning statement rotation plan with respect to the statutory requirements in force prior to the June 22, 2009 enactment of the Family Smoking Prevention and Tobacco Control Act (“FSPTCA”) concerning the rotation, size, and conspicuousness of the warnings on Great Swamp’s packaging. Moreover, it is not in any way an approval of any other design element, statement, or representation made on packaging or in advertising for Great Swamp’s cigarettes. Nor does this letter purport to interpret or express any opinion about the adequacy of Great Swamp’s packaging and advertising under the FSPTCA or any regulations that have been or might be promulgated by the Department of Health and Human Services under that statute, including but not limited to the Regulations Restricting the Sale and Distribution of Cigarettes and Smokeless Tobacco to Protect Children and Adolescents (published March 19, 2010).

Because the FSPTCA imposes additional legal requirements on the marketing and sale of cigarettes, you should ensure that you are in compliance with those requirements. For example, since September 22, 2009, the use of certain characterizing flavors (other than tobacco or menthol) in cigarettes has been prohibited. You can find additional information at www.fda.gov/TobaccoProducts/default.htm, and sign up for FDA email updates at www.fda.gov/TobaccoProducts/ResourcesforYou/ucm176164.htm.

Re: Request for Renewal of Approved Warning Statement Rotation Plan for packaging and advertising for the brand LAGUNAS (international-size, hard-pack style: Smooth Select and Menthol Select)

Dear Ms. Schools:

I am writing this letter on behalf of Kretek International, Inc. ("Kretek"), the importer for the above indicated products.

In a letter from Mary Engle dated February 12, 2013, the Federal Trade Commission approved a certain health warning rotation plan for packaging and advertising on behalf of Kretek (the "Existing Plan").

It is our desire to renew the Existing Plan for an additional year (the "Renewed Plan"). The Existing Plan (which we are herewith seeking to renew and extend) calls for equalizing the use of the warnings for Lagunas brand cigarettes (international-size, hard-pack style: Smooth Select and Menthol Select).

As provided for by Section 1333(c)(2) of the Cigarette Labeling and Advertising Act (the "Act"), Kretek qualifies for a renewal of the equalization alternative because during fiscal year 2013: (1) each of the brand styles of all of the cigarettes manufactured or imported by Kretek accounted for less than [REDACTED] sticks, and (2) Kretek anticipates its sales for fiscal year 2014 for any one brand style of cigarettes it manufactures or imports will not exceed [REDACTED] sticks.

Kretek will comply with the requirements of the equalization alternative by assuring that all shipments from the factory contain an equal number of the four health warnings for the package and cartons of each of the two brand styles of the Lagunas brand.

Moreover, the warning statements will continue to appear exactly as shown on the samples of the packs and cartons submitted with my letter to you dated January 13, 2011 in connection with the Existing Plan.
For advertising, Kretek will continue to adhere to and comply with the plan for advertising as set out in our letter to you dated February 11, 2011 and approved in the letter from Mary Engle dated February 14, 2011.

Kretek agrees to maintain records to demonstrate compliance with the Plan. The company official responsible for overseeing this matter is Sean Cassar, whose title is Chief Operating Officer. Mr. Cassar’s contact information is as follows:

Mr. Sean Cassar  
Kretek International, Inc.  
5449 Endeavour Court  
Moorpark, CA 93021  

Telephone number: 805-531-8888.

Please grant Kretek approval of this Renewed Plan. It is hoped that you can grant this approval as soon as possible. If you could fax or email us the approval, it would be most appreciated.

Thank you for your courtesy and cooperation.

Sincerely,

Henry C. Roemer, III

Dear Mr. Roemer:

The Federal Trade Commission has delegated to the Associate Director for Advertising Practices its authority to review cigarette health warning display plans submitted to the Commission pursuant to Section 1333(c) of the Federal Cigarette Labeling and Advertising Act, 15 U.S.C §§ 1331-1341 ("the Cigarette Act"). Pursuant to that delegation, I have reviewed a proposed plan filed on behalf of Kretek International, Inc. ("Kretek"), on January 24, 2014, calling for simultaneous display (i.e., the alternative to quarterly rotation) of the four health warnings on packaging for two international-size hard pack varieties of the Lagunas brand of cigarettes.

Kretek's sales appear to qualify for the aforementioned alternative to quarterly rotation of the warnings on packaging, and the warnings on the sample packs and cartons submitted with your letter dated January 13, 2011 continue to meet the requirements of the Cigarette Act in force as of the date of this letter for size and conspicuousness. \(^1\) Accordingly, Kretek's plan for simultaneous display of the four health warnings on packaging is hereby approved for the following two international-size hard pack varieties of the Lagunas brand: Smooth Select and Menthol Select.

Approval of the plan is contingent on its good faith implementation. We may ask for information demonstrating proper implementation of the plan. \(^2\) The Cigarette Act provides that any person who violates its provisions is guilty of a misdemeanor.

---

1. Kretek stated in its January 24, 2014 letter that the four health warnings will appear exactly as shown on the sample packs and cartons submitted on January 13, 2011.

2. Knowingly and willfully making false statements to a federal government agency is a crime punishable by a fine and/or imprisonment. 18 U.S.C. § 1001.
Please note that this letter only approves Kretek’s cigarette health warning statement rotation plan with respect to the statutory requirements in force prior to the June 22, 2009 enactment of the Family Smoking Prevention and Tobacco Control Act ("FSPTCA") concerning the rotation, size, and conspicuousness of the warnings on Kretek’s packaging. Moreover, it is not in any way an approval of any other design element, statement, or representation made on packaging or in advertising for Kretek’s cigarettes. Nor does this letter purport to interpret or express any opinion about the adequacy of Kretek’s packaging and advertising under the FSPTCA or any regulations that have been or might be promulgated by the Department of Health and Human Services under that statute, including but not limited to the Regulations Restricting the Sale and Distribution of Cigarettes and Smokeless Tobacco to Protect Children and Adolescents (published March 19, 2010).

Because the FSPTCA imposes additional legal requirements on the marketing and sale of cigarettes, you should ensure that you are in compliance with those requirements. For example, since September 22, 2009, the use of certain characterizing flavors (other than tobacco or menthol) in cigarettes has been prohibited. You can find additional information at www.fda.gov/TobaccoProducts/default.htm, and sign up for FDA email updates at www.fda.gov/TobaccoProducts/ResourcesforYou/ucm176164.htm.

Please note that Section 802 of the Tariff Suspension and Trade Act of 2000 prohibits the importation of cigarettes unless at the time of entry the importer presents a sworn statement signed by the original cigarette manufacturer stating that the manufacturer has submitted and will continue to submit the list of ingredients to FDA.

This approval is effective on the date of this letter and runs through February 9, 2015, or until the authority to approve cigarette health warning statement plans moves from the FTC to the FDA, whichever comes first.

Renewal of
Surgeon General's Health Warning Equalization Plan
for Canadian Agricultural Depot, LLC
for Seneca, Couture and Opal Cigarettes

Dear Ms. Engle:

Please be advised that we are the attorneys for an importer of tobacco products, Canadian Agricultural Depot, LLC ("CAD"), a Florida limited liability company with offices located at 187 N.W. 57th Ave., Suite 8, Miami, Florida 33126. CAD wishes to renew its equalization plans for the display of the health warnings on packaging for its Seneca, Couture and Opal brands of cigarettes as required by 15 U.S.C. §1333 for cigarettes they are importing into the United States. The contact person for the company will continue to be its President, Michael Vazquez, who can be reached at the above address. His telephone number is (305) 406-2305.

Actual samples of the packs and cartons for the various brand styles (listed in Exhibit "A") showing exactly where and how the four (4) Surgeon General's health warnings appear and will continue to appear on individual packs and cartons of the Seneca, Couture and Opal brands CAD is importing were enclosed with the original submissions on the dates appearing in Exhibit "B." The health warnings will continue to appear exactly as shown on the samples provided. The brand styles listed in the attachment at Exhibit "A" have been equalized as of this date.
In fiscal year 2013, CAD imported approximately ______ Seneca, Couture and Opal brand cigarettes. CAD did not import or manufacture any other cigarette brands than those listed herein in fiscal year 2013. In fiscal year 2014 to date, CAD has imported approximately ______ Seneca, Couture and Opal brand cigarettes. In fiscal year 2014, CAD anticipates importing approximately ______ cigarettes of all its brand styles (all will be Seneca, Couture and Opal brand cigarettes).

No one brand style of cigarettes sold by CAD has, for the past fiscal year, constituted more than 1/4 of 1% of all the cigarettes sold in the United States in such year, and no one brand style will constitute more than 1/4 of 1% of all the cigarettes sold in the United States in the next fiscal year. In addition, more than one-half of the cigarettes imported by CAD for sale in the United States are packaged into brand styles which meet the requirements of 15 U.S.C. §1333(c)(2)(A)(I).

As a small importer as defined by the Act, CAD wishes to renew the plan to equalize the four health warning statements required by 15 U.S.C. §1333(c) for its Seneca, Couture and Opal brands. Each of the four warning statements will appear on the packs and cartons of each brand style of the Seneca, Couture and Opal brands of cigarettes imported by CAD an equal number of times in the one year period beginning on the date this plan is approved. CAD will continue to maintain records demonstrating compliance with this plan.

The individual packs of Seneca, Couture and Opal cigarettes to be imported by CAD will have the proper health warnings printed by the manufacturer directly on the packs under the cellophane. The cartons will also have the proper health warnings printed directly on the cartons by the manufacturer.

CAD understands that the FTC is charged with ensuring that CAD's Surgeon General's Health Warning Label Plan is complied with and, therefore, it agrees to maintain records to demonstrate that they are in compliance with, and are properly implementing their plan.

CAD will print all four (4) health warnings in equal numbers on each printed sheet of packaging for all of its cartons and packs so that when the sheets are die cut, each shipment should be approximately equalized for each brand style as imported. If, toward the end of the one year period, it appears that the warnings are not equalized on the packs and cartons for each brand style, CAD will place special orders for packaging with the specific health warnings needed to ensure that the display of all four warnings is equalized on the packs and cartons for each brand style by the plan's anniversary date.

1 CAD's fiscal year coincides with the calendar year.
No provision of this plan and no action taken pursuant hereto or statement made in connection herewith constitutes or shall be construed as an admission in any judicial or administrative proceeding, in any private litigation, or in any official action, report or statement by the United States Government, any State Government, or any instrumentality thereof.

CAD has advertising rotation plans in place for its Seneca, Couture and Opal cigarettes, all of which have been approved by the FTC. CAD is in compliance with these plans and wishes to make no changes to any of its advertising plans at this time.

We believe this plan complies in all respects with the Federal Cigarette Labeling and Advertising Act, as amended, (15 U.S.C. §1331 et seq.) including any modifications made by the Public Health Cigarette Smoking Act of 1969, the Comprehensive Smoking Education Act of 1984, the Nurses' Education Amendments of 1985 and the Imported Cigarette Compliance Act of 2000. For this reason, we hereby request that you approve this plan as soon as possible.

Should you have any further questions regarding this matter, please do not hesitate to contact us.

Sincerely yours,

One Datran

Suite 402
Miami, FL 33156

Dear Mr. Boren:

The Federal Trade Commission has delegated to the Associate Director for Advertising Practices its authority to review cigarette health warning display plans submitted to the Commission pursuant to Section 1333(c) of the Federal Cigarette Labeling and Advertising Act, 15 U.S.C. §§ 1331-1341 ("the Cigarette Act"). Pursuant to that delegation, I have reviewed a revised proposed plan filed on behalf of Canadian Agricultural Depot, LLC ("CAD"), dated February 11, 2014, calling for simultaneous display (i.e., the alternative to quarterly rotation) of the four health warnings on packaging for certain varieties of the Seneca, Couture, and Opal brands of cigarettes.

CAD’s sales appear to qualify for the aforementioned alternative to quarterly rotation of the warnings on packaging, and the warnings on the sample packs and cartons submitted with your letters on the following dates appear to continue to meet the requirements of the Cigarette Act in force as of the date of this letter for size and conspicuousness:¹

¹ Although the warnings on the cartons for the 72’s hard pack and Extra Smooth Menthol 100’s soft pack varieties of the Seneca brand, and for all five varieties of the Opal brand submitted on February 22, 2012 were not sufficiently conspicuous, corrected samples were submitted on May 1, 2012.
Accordingly, CAD’s plan for simultaneous display of the four health warnings on packaging is hereby approved for the following varieties:

- Thirty-four varieties of the Seneca brand: Full Flavor hard pack (Kings and 100’s), Full Flavor soft pack (Kings and 100’s), Blue hard pack (Kings and 100’s), Blue soft pack (Kings and 100’s), Silver hard pack (Kings and 100’s), Silver soft pack (Kings and 100’s), Menthol hard pack (Kings and 100’s), Menthol soft pack (Kings and 100’s), Smooth Menthol hard pack (Kings and 100’s), Smooth Menthol soft pack (Kings and 100’s), Extra Smooth Menthol 100’s (hard pack and soft pack), Non-filter Full Flavor Kings hard pack, Full Flavor 120’s hard pack, Smooth 120’s hard pack, Ultra 120’s hard pack, Menthol 120’s hard pack, Smooth Menthol 120’s hard pack, Medium hard pack (Kings and 100’s), Chill Kings hard pack, Full Flavor 72’s hard pack, Blue 72’s hard pack, and Menthol 72’s hard pack;

- Six “Slims” king size hard pack varieties of the Couture brand: Ruby, Amethyst, Diamond, Aquamarine, Turquoise, and Sapphire; and

- Five “Super Thins” 120’s hard pack varieties of the Opal brand: Full Flavor, Smooth, Ultra, Menthol, and Smooth Menthol.

This approval pertains only to packaging that meets the requirements of the Cigarette Act in force as of the date of this letter. Furthermore, the four health warnings must appear exactly as shown on the packs and cartons that the Commission approved.

Approval of the plan is contingent on its good faith implementation. We may ask for information demonstrating proper implementation of the plan. The Cigarette Act provides that any person who violates its provisions is guilty of a misdemeanor.

Please note that this letter only approves CAD’s cigarette health warning statement rotation plan with respect to the statutory requirements in force prior to the June 22, 2009 enactment of the Family Smoking Prevention and Tobacco Control Act ("FSPTCA") concerning the rotation, size, and conspicuousness of the warnings on packaging for CAD’s cigarettes. Moreover, it is not in any way an approval of any other design element, statement, or representation made on packaging or in advertising for CAD’s cigarettes. Nor does this letter purport to interpret or express any opinion about the adequacy of CAD’s packaging and advertising under the FSPTCA or any regulations that have been or might be promulgated by the Department of Health and Human Services under that statute, including but not limited to the

Regulations Restricting the Sale and Distribution of Cigarettes and Smokeless Tobacco to Protect Children and Adolescents (published March 19, 2010).

Because the FSPTCA imposes additional legal requirements on the marketing and sale of cigarettes, you should ensure that you are in compliance with those requirements. For example, since September 22, 2009, the use of certain characterizing flavors (other than tobacco or menthol) in cigarettes has been prohibited. You can find additional information at www.fda.gov/TobaccoProducts/default.htm, and sign up for FDA email updates at www.fda.gov/TobaccoProducts/ResourcesforYou/ucm176164.htm.

Please note that Section 802 of the Tariff Suspension and Trade Act of 2000 prohibits the importation of cigarettes unless at the time of entry the importer presents a sworn statement signed by the original cigarette manufacturer stating that the manufacturer has submitted and will continue to submit the list of ingredients to the FDA.

This approval is effective on the date of this letter and runs through February 10, 2015, or until the authority to approve cigarette health warning statement plans moves from the FTC to the FDA, whichever comes first.

If you have any questions regarding this approval, please contact William Ducklow at (202) 326-2407.

Mr. J. Conrad Seneca
Six Nations Manufacturing
11359 Southwestern Blvd.
P.O. Box 377
Irving, NY 14081

Dear Mr. Seneca:

The Federal Trade Commission has delegated to the Associate Director for Advertising Practices its authority to review cigarette health warning display plans submitted to the Commission pursuant to Section 1333(c) of the Federal Cigarette Labeling and Advertising Act, 15 U.S.C. §§ 1331-1341 (“the Cigarette Act”). Pursuant to that delegation, I have reviewed a revised proposed plan filed on behalf of J. Conrad Seneca d/b/a Six Nations Manufacturing (“Six Nations”) on February 14, 2014, calling for simultaneous display (i.e., the alternative to quarterly rotation) of the four health warnings on packaging for certain varieties of the Bronco and Native Pride brands of cigarettes.

Six Nations’ sales appear to qualify for the aforementioned alternative to quarterly rotation of the warnings on packaging, and the warnings on the sample packs and cartons submitted on November 14, 2011 (Native Pride)\(^1\) and November 15, 2012 (Bronco)\(^2\) appear to meet the requirements of the Cigarette Act in force as of the date of this letter for size and conspicuosity.

Accordingly, Six Nations’ plan for simultaneous display of the four health warnings on packaging is hereby approved for the following varieties:

---

\(^{1}\) Six Nations stated in its February 14, 2014 letter that the four health warnings will continue to appear exactly as shown on the sample packaging for the Native Pride brand submitted on November 14, 2011.

\(^{2}\) Six Nations stated in its February 14, 2014 letter that the four health warnings will continue to appear exactly as shown on the sample packaging for the Bronco brand submitted on November 15, 2012.
Eleven box varieties of the Bronco brand: Red (Kings and 100’s), Gold (Kings and 100’s), Silver (Kings and 100’s), Menthol (Kings and 100’s), Menthol Gold (Kings and 100’s), and Non-Filter Kings; and

Eight box varieties of the Native Pride brand: Robust Full Bodied Flavor (Kings and 100’s), Relaxed Smooth Flavor (Kings and 100’s), Full Bodied Menthol Flavor (Kings and 100’s), Smooth Menthol Flavor 100’s, and Ultra Smooth Flavor 100’s.

Approval of the plan is contingent on its good faith implementation. We may ask for information demonstrating proper implementation of the plan. The Cigarette Act provides that any person who violates its provisions is guilty of a misdemeanor.

Please note that this letter only approves Six Nations’ cigarette health warning statement rotation plan with respect to the statutory requirements in force prior to the June 22, 2009 enactment of the Family Smoking Prevention and Tobacco Control Act (“FSPTCA”) concerning the rotation, size, and conspicuousness of the warnings on packaging for Six Nations’ cigarettes. Moreover, it is not in any way an approval of any other design element, statement, or representation made on packaging or in advertising for Six Nations’ cigarettes. Nor does this letter purport to interpret or express any opinion about the adequacy of Six Nations’ packaging and advertising under the FSPTCA or any regulations that have been or might be promulgated by the Department of Health and Human Services under that statute, including but not limited to the Regulations Restricting the Sale and Distribution of Cigarettes and Smokeless Tobacco to Protect Children and Adolescents (published March 19, 2010).

Because the FSPTCA imposes additional legal requirements on the marketing and sale of cigarettes, you should ensure that you are in compliance with those requirements. For example, since September 22, 2009, the use of certain characterizing flavors (other than tobacco or menthol) in cigarettes has been prohibited. You can find additional information at www.fda.gov/TobaccoProducts/default.htm, and sign up for FDA email updates at www.fda.gov/TobaccoProducts/ResourcesforYou/ucm176164.htm.

This approval is effective on the date of this letter and runs through February 17, 2015, or until the authority to approve cigarette health warning statement plans moves from the FTC to the FDA, whichever comes first.

If you have any questions regarding this approval, please contact Caitlyn Brady at (202) 326-2848.

Very truly yours,

Re: Application Pursuant to 4(c)(2) of the Federal Cigarette Labeling and Advertising Act, as amended

Dear Ms. Engle:

On behalf of Japan Tobacco International U.S.A., Inc., a California corporation with its principal office at Glenpointe Centre West, 500 Frank W. Burr Boulevard, Suite 24, Teaneck, New Jersey 07666 and its affiliates (collectively “JTI”), we respectfully submit an application pursuant to Section 4(c)(2) of the Federal Cigarette Labeling and Advertising Act, as amended (the “Act”), seeking approval for JTI to display the warning labels specified in Section 4(a)(1) of the Act on packages and cartons of cigarettes in the manner provided in Section 4(c)(2)(C) of the Act, as provided in paragraph 2(b) of the Label Statement Rotation Plan of JTI submitted to the Federal Trade Commission on August 28, 1985 (the “Plan”), as subsequently amended and approved, most recently on February 14, 2013 effective through February 13, 2014 and, with respect to five additional limited edition varieties, on August 14, 2013 effective through August 13, 2014.

The brands and brand styles sold by JTI in the United States to which the Plan (as amended), this application and the confirmations contained herein pertain are as follows:

Seventeen hard pack varieties of the Wave brand: Full Flavor Kings, Full Flavor 100's, Menthol Kings, Menthol 100's, Blue Kings, Blue 100's, Silver Kings, Silver 100's, Menthol Green Kings, Menthol Green 100's, Blue 100's Black Pack; Menthol Green 100's Black Pack; Full Flavor Limited Edition (king size); Menthol Limited Edition (king size); Menthol Green Limited Edition (king size); Blue Limited Edition (king size); and Silver Limited Edition (king size).

Six hard pack varieties of the Wings brand: Red (Kings and 100's), Gold (King and 100's) and Menthol (Kings and 100's).

JTI is not including in this application nine brand styles which are no longer being sold, namely: Export 'A' Extra Smooth Taste and Wave Full Flavor Kings (soft pack), Wave Full Flavor 100's (soft pack), Wave Menthol Flavor Kings (soft pack), Wave Menthol 100's (soft pack), Wave Blue Kings (soft pack), Wave Blue 100's (soft pack), Wave Silver 100's Kings (soft pack) and Wave Menthol Green 100's (soft pack).

In support of JTI's application for extension of Federal Trade Commission approval of its simultaneous display plan for packages and cartons to cover those packaging varieties, JTI affirms that:

(a) the cigarettes sold by JTI in the U.S. continue to comply with the two-tiered test in Section 4(c)(2) of the Act. The total number of cigarettes manufactured by JTI and sold in the United States during JTI's last fiscal year ended December 31, 2013 was less than and the total number of cigarettes of any brand style manufactured by JTI and sold in the United States during such year was less than and therefore (i) each brand style of cigarettes which JTI manufactures and sells accounted for less than one-fourth of one percent of all cigarettes sold in the United States during the most recent completed year and (ii) more than one-half (i.e. all) of the cigarettes manufactured by JTI for sale in the United States are packaged into brand styles which meet the requirements of clause (i);

(b) the statutorily mandated warnings will appear exactly as shown on the sample individual packages and cartons (or bundles) submitted to and approved by the Federal Trade Commission unless and until revised sample individual packages and cartons are submitted to the Federal Trade Commission on JTI's behalf and approved by the Federal Trade Commission; and

(c) JTI will equally display the four warning labels specified in Section 4(a)(1) of the Act on packages and cartons of cigarettes for each brand style for the one year period
beginning on the date of approval for the Plan and JTI will keep records demonstrating compliance with the Plan.

We submitted under cover of letter dated March 10, 2010 an amended Schedule A to the Plan entitled “Label Statement Rotational For Advertisement Purposes (Only) By Brand And Quarter” which will continue to be followed by JTI unless and until submitted and approved otherwise.

JTI will manufacture and sell packages and cartons of each existing brand style in equal numbers of each warning label throughout the one-year period after this application is approved as set forth on the Attachment 1 hereto. As a result, if requirements for new warnings were to become effective on any date, the current warnings will have been utilized in equal proportions prior to then on all brand styles.

If you should have any further questions in connection with this application, please call me at (212) 513-3470. We enclosed with our letter dated February 11, 2014 a Federal Express airway bill and envelope for your use, if possible, in transmitting an approval letter to us in order to ensure its timely receipt. In addition, it would be appreciated if such approval letter could be faxed to me at 212-341-7103 or sent to me as a pdf attachment to an e-mail at neal.beaton@hklaw.com.

Thank you for your continued cooperation in this matter.

Very truly yours,

Export ‘A’

Export ‘A’ is printed using the gravure method. Rotation of warnings is based on percentage on each sheet of packaging printed. With four health warnings, equal distribution is 25% of the sheet per warning.

Export A 72 Slide and Shell Pack:

The shell of Export 'A' slide and shell format is printed using a 24-ups cylinder configuration. The cylinder prints one sheet per rotation; one sheet contains 24 packs. Warnings A, B, C and D each comprise 25% of the sheet. Each warning appears 6 times per sheet.

Export ‘A’ 72 Slide and Shell Bundle:

Export ‘A’ uses a paper-foil bundle rather than a standard carton. The bundle is printed using two sets of cylinders, each configured with 3 ups. The two cylinders print one full sheet per rotation; one sheet contains 6 bundles. Warnings A and B are printed on one cylinder and Warnings C and D are printed on the other. Each warning comprises 50% of the cylinder and 25% of the total sheet. Each warning appears 3 times per sheet.

Wave and Wings

Wave and Wings are printed using the offset method. Rotation of warnings is based on percentage on each sheet of packaging printed. With four health warnings, equal distribution would be 25% of the sheet per warning. All packaging is preprinted and supplied to the factory where it is made into final consumer packaging.

Wave/Wings Round Corner KS/100s Box:

The round corner box utilizes two printing plates, each configured with 22 facings. The two plates are rotated so that they are used equally and collectively have 44 ups in a rotation. Each warning is printed at 11 times per set of two sheets in a rotation, comprising 25% of the sheets.

Wave/Wings Soft Pack KS/100s:

Soft pack styles are printed using a plate with 16 total facings. Each sheet contains 16 ups and is printed in one rotation. Warnings A, B, C and D each comprise 25% of the sheet. Each warning is printed 4 times.
Wave/Wings Cartons KS/100s:

All round corner box and soft pack styles share the same carton printing configuration. These cartons are printed using plates with 4 facings. Each sheet is printed with 4 ups per rotation. Warnings A, B, C and D each comprise 25% of the sheet, appearing once.

)

Jacques Coffeng, being duly sworn, deposes and says:

1. I am the President of Japan Tobacco International U.S.A., Inc. (collectively, with its ultimate parent company, Japan Tobacco Inc. and all of Japan Tobacco Inc.’s direct and indirect subsidiaries, “JT”) and make this affidavit on behalf of JT pursuant to Section 4(e)(2)(A) of the Federal Cigarette Labeling and Advertising Act, as amended (the “Act”), in support of the application of JT for Federal Trade Commission approval to display the warning labels specified in Section 4(a)(1) of the Act on packages of cigarettes manufactured by JT for the one-year period beginning on the date of approval, as provided in paragraph 2(b) of the Label Statement Rotation Plan of JT submitted to the Federal Trade Commission on August 28, 1985, and approved on or as of October 11, 1985 and annually or prior to introduction of new brands or brand styles or new packaging or to amend such Plan since January 1, 1993, most recently on February 14, 2013 (for all then current brand styles of all brands) and August 14, 2013 (for limited edition packaging for five “Wave” brand styles).

2. The total number of cigarettes of any brand style sold by JT in the United States during its last fiscal year ended December 31, 2013, was less than and therefore (i) each brand style of cigarettes which JT manufactures accounted for less than one-fourth of one percent of all cigarettes sold in the United States during the most recent completed year and (ii) more than one-half of the cigarettes manufactured by JT for sale in the United States are packaged into brand styles which meet the requirements of clause (i).

4. JTI will continue to equalize utilization of the four warnings on all of its brand styles sold in the United States on an ongoing basis throughout the period for which this application and previous approvals are effective. JTI will keep records demonstrating compliance with its plan.

5. The brands and brand styles sold by JTI in the United States to which the Plan (as amended), this application and the confirmations contained herein pertain are as follows:

Seventeen hard pack varieties of the Wave brand: Full Flavor Kings, Full Flavor 100's, Menthol Kings, Menthol 100's, Blue Kings, Blue 100's, Silver Kings, Silver 100's, Menthol Green Kings, Menthol Green 100's, Blue 100's Black Pack; Menthol Green 100's Black Pack; Full Flavor Limited Edition (king size hard pack); Menthol Limited Edition (king size hard pack); Menthol Green Limited Edition (king size hard pack); Blue Limited Edition (king size hard pack); and Silver Limited Edition (king size hard pack).

Six hard pack varieties of the Wings brand: Red (Kings and 100's), Gold (King and 100's) and Menthol (Kings and 100's).
IN WITNESS WHEREOF, I have hereunto signed my name this 25th day of February, 2014.

Notary Public, State of New Jersey
My Commission Expires
August 07, 2018
Dear Mr. Beaton:

The Federal Trade Commission has delegated to the Associate Director for Advertising Practices its authority to review cigarette health warning display plans submitted to the Commission pursuant to Section 1333(c) of the Federal Cigarette Labeling and Advertising Act, 15 U.S.C. §§ 1331-1341 ("the Cigarette Act"). Pursuant to that delegation, I have reviewed a revised proposed plan filed on behalf of Japan Tobacco International U.S.A., Inc. and its affiliates (collectively "JTI") on February 25, 2014, calling for simultaneous display (i.e., the alternative to quarterly rotation) of the four health warnings on packaging for certain varieties of the Export 'A', Wave, and Wings brands of cigarettes.

JTI's sales appear to qualify for the aforementioned alternative to quarterly rotation of the warnings on packaging, and the warnings on the sample packs and cartons submitted with your letters on the following dates appear to continue to meet the requirements of the Cigarette Act in force as of the date of this letter for size and conspicuousness:\(^1\)

<table>
<thead>
<tr>
<th>Brand</th>
<th>Date(s)</th>
</tr>
</thead>
<tbody>
<tr>
<td>Export 'A'</td>
<td>August 25, 2008</td>
</tr>
<tr>
<td></td>
<td>December 18, 2009</td>
</tr>
<tr>
<td></td>
<td>March 15, 2012 (limited edition packs)</td>
</tr>
<tr>
<td></td>
<td>April 11, 2012 (limited edition cartons) (^2)</td>
</tr>
</tbody>
</table>

\(^1\) JTI stated in its February 25, 2014 letter that the four health warnings will appear exactly as shown on the sample packs and cartons submitted on these dates.

\(^2\) Submission of limited edition packaging for the Export 'A' Smooth Taste variety only. Although the warnings on the carton "bundles" submitted on March 15, 2012 were not sufficiently conspicuous, corrected samples were submitted on April 11, 2012.
Accordingly, JTI’s plan for simultaneous display of the four health warnings on packaging for the following varieties is hereby approved:

- Seventeen hard pack varieties of the Wave brand: Full Flavor (Kings and 100’s), Menthol (Kings and 100’s), Blue (Kings and 100’s), Silver (Kings and 100’s), Menthol Green (Kings and 100’s), Blue 100’s Black Pack, Menthol Green 100’s Black Pack, Full Flavor Limited Edition Kings, Menthol Limited Edition Kings, Menthol Green Limited Edition Kings, Blue Limited Edition Kings, and Silver Limited Edition Kings; and

- Six hard pack varieties of the Wings brand: Red (Kings and 100’s), Gold (King and 100’s) and Menthol (Kings and 100’s).

This approval pertains only to packaging that meets the requirements of the Cigarette Act in force as of the date of this letter. Furthermore, the four health warnings must appear exactly as shown on the packs and cartons that the Commission approved.

Approval of this plan is contingent on its good faith implementation. We may ask for information demonstrating proper implementation of the plan. The Cigarette Act provides that any person who violates its provisions is guilty of a misdemeanor.

Please note that this letter only approves JTI’s cigarette health warning statement rotation plan with respect to the statutory requirements in force prior to the June 22, 2009 enactment of the Family Smoking Prevention and Tobacco Control Act (“FSPTCA”) concerning the rotation, size, and conspicuousness of the warnings on JTI’s packaging. Moreover, it is not in any way an approval of any other design element, statement, or representation made on packaging or in advertising for JTI’s cigarettes. Nor does this letter purport to interpret or express any opinion about the adequacy of JTI’s packaging and advertising under the FSPTCA or any regulations that

---

4 Knowingly and willfully making false statements to a federal government agency is a crime punishable by a fine and/or imprisonment. 18 U.S.C. § 1001.
have been or might be promulgated by the Department of Health and Human Services under that statute, including but not limited to the Regulations Restricting the Sale and Distribution of Cigarettes and Smokeless Tobacco to Protect Children and Adolescents (published March 19, 2010).

Because the FSPTCA imposes additional legal requirements on the marketing and sale of cigarettes, you should ensure that you are in compliance with those requirements. For example, since September 22, 2009, the use of certain characterizing flavors (other than tobacco or menthol) in cigarettes has been prohibited. You can find additional information at www.fda.gov/TobaccoProducts/default.htm, and sign up for FDA email updates at www.fda.gov/TobaccoProducts/ResourcesforYou/ucm176164.htm.

Please note that Section 802 of the Tariff Suspension and Trade Act of 2000 prohibits the importation of cigarettes unless at the time of entry the importer presents a sworn statement signed by the original cigarette manufacturer stating that the manufacturer has submitted and will continue to submit the list of ingredients to FDA.

This approval is effective on the date of this letter and runs through February 25, 2015, or until the authority to approve cigarette health warning statement plans moves from the FTC to the FDA, whichever comes first.

If you have any questions regarding this approval, please contact William Ducklow at (202) 326-2407.

Very truly yours,

Mary K. Engle

This requests approval of a plan to conduct our manufacturing operations so that the four health warnings specified in 15 USC §1333(a)(1) of the Federal Cigarette Labeling and Advertising Act (the “Cigarette Labeling Act”), shall appear on the packages and cartons of each brand style of cigarettes an equal number of times during the 12-month period starting from the date this plan is approved by the FTC. These brand styles meet the statutory requirements for the equalization method set out in 15 USC §1333(c)(2)(C) in that (i) none of the brand styles exceed one-fourth of 1 percent of all cigarettes sold in the U.S. during Commonwealth’s most recent fiscal year preceding submission of this application; and (ii) more than 50% of the cigarettes manufactured by Commonwealth Brands are packaged into brands styles that fall below the maximum.

1 Commonwealth Brands manufactures the SF brand under license from Smoker Friendly International, LLC.

volume set out in (i) above. Through the date of this application the Surgeon General’s warnings on the packages for the brand styles of Commonwealth Brands have been rotated in accordance with its previously approved plans. If such request is approved, Commonwealth will require one-fourth of each package and carton material order to be printed with each one of the four warnings. Commonwealth Brands will maintain records that document compliance with this rotation plan.

The sales figures for Commonwealth Brands’ styles, each of which qualify for the exemption during the most recent fiscal year preceding submission of this application (ending September 30, 2013), are reported in the attached Exhibit B.

During 2014, Commonwealth Brands will manufacture 139 brand styles.

The four health warnings will appear exactly as shown on the packs and cartons submitted with Commonwealth’s letters of the following dates:

Commonwealth Brands, Inc.
P.O. Box 407130
Fort Lauderdale, FL 33340-7130

Dear Ms. Lukose:

The Federal Trade Commission has delegated to the Associate Director for Advertising Practices its authority to review cigarette health warning display plans submitted to the Commission pursuant to Section 1333(c) of the Federal Cigarette Labeling and Advertising Act, 15 U.S.C. §§ 1331-1341 ("the Cigarette Act"). Pursuant to that delegation, I have reviewed a revised proposed plan filed by Commonwealth Brands, Inc. ("Commonwealth") on March 4, 2014, calling for simultaneous display (i.e., the alternative to quarterly rotation) of the four health warnings on packaging for certain varieties of the Crowns, Davidoff, Fortuna, Gauloises, Gitanes, Malibu, Montclair, Raven, Riviera, SF, Sonoma, Tuscany, USA Gold, and West brands of cigarettes.

Commonwealth’s sales appear to qualify for the aforementioned alternative to quarterly rotation of warnings on packaging, and the warnings on the sample packs and cartons submitted with your letters on the following dates appear to continue to meet the requirements of the Cigarette Act in force as of the date of this letter for size and conspicuousness:¹

¹ Commonwealth stated in its March 4, 2014 letter that the four health warnings will appear exactly shown on the packs and cartons submitted on these dates.

---

\(^2\) We note that Commonwealth is using colors in the names of most of its cigarette varieties (e.g., Crowns Blue Kings Box) and, except as specified below, the color used for a variety’s packaging does conform to the color used in its name. Approval of the plan is contingent on its good faith implementation. We may ask for information demonstrating proper implementation of the plan. The Cigarette Act provides that any person who violates its provisions is guilty of a misdemeanor.

Please note that this letter only approves Commonwealth’s cigarette health warning statement rotation plan with respect to the statutory requirements in force prior to the June 22, 2009 enactment of the Family Smoking Prevention and Tobacco Control Act (“FSPTCA”) concerning the rotation, size, and conspicuousness of the warnings on packaging for Commonwealth’s cigarettes. Moreover, it is not in any way an approval of any other design element, statement, or representation made on packaging or in advertising for Commonwealth’s cigarettes. Nor does this letter purport to interpret or express any opinion about the adequacy of Commonwealth’s packaging and advertising under the FSPTCA or any regulations that have been or might be promulgated by the Department of Health and Human Services under that statute, including but not limited to the Regulations Restricting the Sale and Distribution of Cigarettes and Smokeless Tobacco to Protect Children and Adolescents (published March 19, 2010).

---

3 Knowingly and willfully making false statements to a federal government agency is a crime punishable by a fine and/or imprisonment. 18 U.S.C. § 1001.
Because the FSPTCA imposes additional legal requirements on the marketing and sale of cigarettes, you should ensure that you are in compliance with those requirements. For example, since September 22, 2009, the use of certain characterizing flavors (other than tobacco or menthol) in cigarettes has been prohibited. You can find additional information at www.fda.gov/TobaccoProducts/default.htm, and sign up for FDA email updates at www.fda.gov/TobaccoProducts/ResourcesforYou/ucm176164.htm.

This approval is effective on the date of this letter and runs through March 6, 2015, or until the authority to approve cigarette health warning statement plans moves from the FTC to the FDA, whichever comes first.

If you have any questions regarding this approval, please contact William Ducklow at (202) 326-2407.

Very truly yours,

RE: Annual Renewal for Cigarette Health Warning Rotation Plan

Dear Ms. McGregor:

This letter is being submitted for the annual renewal approval of the Surgeon General Warning Rotation Plan for the display of the four health warnings on packaging for the Red Sun and Magic cigarette brands. Note that the packaging and advertising plan for Red Sun and Magic cigarettes received prior approval from the FTC. There have been no changes to the prior approved advertising plan of the Red Sun brand or the Magic brand or to the Red Sun brand packaging or Magic brand packaging. We remain in compliance with our advertising plan. The Red Sun brand and Magic brand will be manufactured in the United States for Goodrich Tobacco Company LLC starting in the second quarter of 2014 by NASCO Products LLC.

Upon approval of this plan, the contract manufacturer intends to manufacture these cigarettes under the authority of the Bureau of Alcohol, Tobacco & Firearms (Manufacturer of Tobacco Products License TP-NC-15033).

Red Sun brand cigarettes will be manufactured for Goodrich Tobacco Company LLC by NASCO Products LLC in the following two brand styles:

- Red Sun King size box
- Red Sun Menthol King size box

Magic brand cigarettes will be manufactured for Goodrich Tobacco Company LLC by NASCO Products LLC in the following two brand styles:

- Magic King size box
- Magic Menthol King size box

Red Sun and Magic will be packaged in 200 count cartons ("Outer Cartons"). Each Outer Carton will contain ten (10) packs of twenty (20) cigarettes ("Pack"). The warnings will appear exactly as shown on the actual Packs and Outer Cartons submitted on February 21, 2011 which received prior approval from the FTC.

Goodrich Tobacco Company LLC believes that its anticipated low sales volume of the Red Sun and Magic brands fits the criteria for the alternative to quarterly rotation of warnings on packaging, provided for in Section 1333 (c)(2) of the Federal Cigarette Labeling and Advertising Act, 15 U.S.C. §§ 1331. Sales estimates for the next one year period for the brand
styles listed above (Red Sun King size box, Red Sun Menthol King size box, Magic King size box, and Magic Menthol King size box) have been provided on Exhibit A hereto. Goodrich Tobacco Company LLC does not anticipate that any one brand style of its Red Sun cigarette brand or Magic cigarette brand will exceed [redacted] sticks in sales for the one year period to be covered by this plan. (Red Sun and Magic Cigarette sales figures for the previous fiscal year 2013, were less than [redacted] sticks). Goodrich Tobacco Company LLC does not anticipate that sales of any one brand style of its Red Sun or Magic brands will exceed [redacted] sticks for the year 2014.

If this renewal plan for the alternative to quarterly rotation of the warnings on packaging is approved, the four cigarette health warnings will appear on each of the packs and Outer Cartons of the brand styles listed above an equal number of times for the one year period beginning on the date of approval of this plan. To ensure the cigarette health warnings appear on each of the above listed brand styles an equal number of times throughout the plan year, raw material packaging inventory will be stored and loaded into packaging machines alternating the four health warnings equally.

Goodrich Tobacco Company LLC is also aware of the requirements set forth by the Federal Cigarette Labeling and Advertising Act and our company's efforts are always to be fully compliant with these regulations. Goodrich Tobacco Company LLC will maintain records demonstrating compliance with the approved plan.

If there are any questions or concerns regarding these plans, please contact me.

Sincerely,

Deborah Aguglia
Operations Director
Goodrich Tobacco Company LLC

Dear Ms. Aguglia:

The Federal Trade Commission has delegated to the Associate Director for Advertising Practices its authority to review cigarette health warning display plans submitted to the Commission pursuant to Section 1333(c) of the Federal Cigarette Labeling and Advertising Act, 15 U.S.C. §§ 1331-1341 (“the Cigarette Act”). Pursuant to that delegation, I have reviewed a revised proposed plan filed by Goodrich Tobacco Company, LLC (“Goodrich”) on March 3, 2014, calling for simultaneous display (i.e., the alternative to quarterly rotation) of the four health warnings on packaging for certain king size box varieties of the Red Sun and Magic brands of cigarettes.

Goodrich’s sales appear to qualify for the aforementioned alternative to quarterly rotation of the warnings on packaging, and the warnings on the sample packs and cartons submitted with your letter dated February 21, 2011 continue to appear to meet the requirements of the Cigarette Act in force as of the date of this letter for size and conspicuousness. Accordingly, Goodrich’s plan for simultaneous display of the four health warnings on packaging is hereby approved for the following varieties: Red Sun Kings box, Red Sun Menthol Kings box, Magic Kings box, and Magic Menthol Kings box.

Approval of the plan is contingent on its good faith implementation. We may ask for information demonstrating proper implementation of the plan. The Cigarette Act provides that any person who violates its provisions is guilty of a misdemeanor.

1 Goodrich stated in its March 3, 2014 letter that the four health warnings will appear exactly as shown on the sample packs and cartons submitted on February 21, 2011.

Re: Cigarette Health Warning Equalization Plan
Submitted by Cousin's Distributing for Revenge/ American Harvest cigarettes.

Ladies and Gentlemen:

We are submitting Surgeon General's Equalization Plan as required under Federal Cigarette Labeling and Advertising Act (15 USC – 1331 (1998), et seq.), as amended. Sandia is the contract manufacturer cigarettes for Cousins Distributing Inc. Cousins Distributing does business as Fresh Choice Tobacco. We are submitting the Equalization Plan for renewal. The corporate address for Cousins Distributing Inc is 1891 Woolner Avenue, Suite I, Fairfield, California 94533 (we moved in July, 2013).

Sandia has previously manufactured on our behalf during the calendar year January 2013 through December 2013. They manufactured [redacted] sticks of American Harvest and [redacted] sticks of Revenge. Our fiscal year is the same as our calendar year. Sandia plans to manufacture [redacted] sticks of "Revenge" brand, and [redacted] sticks of "American Harvest" during the calendar year of January 2014 through December 2014. Last year we sold [redacted] sticks of Revenge brand and [redacted] sticks of American Harvest. The list of cigarettes includes all the brands sold by Fresh Choice Tobacco. The cigarettes that are covered by this plan are the following U.S. manufactured brand style cigarettes, which include health warnings complying with the Surgeon General warning language set forth in the statute:

1. Revenge 100 soft- blue packaging
2. Revenge 100 soft- yellow packaging
3. American Harvest 100 soft
4. American Harvest King soft

The required warning will be printed directly on the packs and cartons in a conspicuous location as required under the Cigarette Labeling and Advertising Act ("CLAA").
The four (4) cigarette health warnings will appear on the packs and cartons of each brand style of cigarettes an equal number of times over the one (1) year period starting on the date this Plan is approved. Our packaging printer, Winston Packaging, prints all four (4) warnings simultaneously in equal numbers for each brand style at the time of pack and carton print runs. We keep records demonstrating compliance with this plan.

The four (4) health warning will appear exactly as they appear on the packaging samples that were submitted with our previous submissions dated December 12th, 13th, and 22nd of 2006.

Currently, we do not intend to advertise the Revenge and American Harvest brands to the consumer. If we decide to advertise in the future, we will submit a plan to the Federal Trade Commission for review and approval prior to advertising.

We submit that the foregoing complies with the requirements set forth in the Federal Cigarette Labeling and Advertising Act, as amended, and request expedited approval of this request. Should this request conform to your requirements, we further request that the letter evidencing approval be faxed to the undersigned at 707.759.2506.

Should you require any additional information with respect to the foregoing, please contact the undersigned.

Very truly yours,

Dear Mr. Chapman:

The Federal Trade Commission has delegated to the Associate Director for Advertising Practices its authority to review cigarette health warning display plans submitted to the Commission pursuant to Section 1333(c) of the Federal Cigarette Labeling and Advertising Act, 15 U.S.C. §§ 1331-1341 (“the Cigarette Act”). Pursuant to that delegation, I have reviewed a proposed plan filed by Cousins Distributing, Inc. d/b/a Fresh Choice Tobacco Company (“Fresh Choice”) dated January 22, 2014, calling for simultaneous display (i.e., the alternative to quarterly rotation) of the four health warnings on packaging for certain varieties of the Revenge and American Harvest brands of cigarettes.

Fresh Choice’s sales appear to qualify for the aforementioned alternative to quarterly rotation of the warnings on packaging, and the warnings on the sample packs and cartons submitted with your letters dated December 12, 13, and 22, 2006 continue to meet the requirements of the Cigarette Act in force as of the date of this letter for size and conspicuousness. Accordingly, Fresh Choice’s plan for simultaneous display of the four health warnings on packaging is hereby approved for the following varieties:

- Two soft pack varieties of the Revenge brand: 100’s (Blue packaging) and 100’s (Yellow packaging); and
- Two soft pack varieties of the American Harvest brand: 100's and Kings.

Footnote:

1 Fresh Choice stated in its January 22, 2014 letter that the four health warnings will appear exactly as shown on the sample packs and cartons submitted on these dates.
Approval of the plan is contingent on its good faith implementation. We may ask for information demonstrating proper implementation of the plan. The Cigarette Act provides that any person who violates its provisions is guilty of a misdemeanor.

If Fresh Choice decides to advertise in the future, it must submit a plan detailing how it will comply with the requirements of the Cigarette Act with respect to display of the health warning statements in advertisements.

Please note that this letter only approves Fresh Choice’s cigarette health warning statement rotation plan with respect to the statutory requirements in force prior to the June 22, 2009 enactment of the Family Smoking Prevention and Tobacco Control Act (“FSPTCA”) concerning the rotation, size, and conspicuousness of the warnings on Fresh Choice’s packaging. Moreover, it is not in any way an approval of any other design element, statement, or representation made on packaging for Fresh Choice’s cigarettes. Nor does this letter purport to interpret or express any opinion about the adequacy of Fresh Choice’s packaging under the FSPTCA or any regulations that have been or might be promulgated by the Department of Health and Human Services under that statute, including but not limited to the Regulations Restricting the Sale and Distribution of Cigarettes and Smokeless Tobacco to Protect Children and Adolescents (published March 19, 2010).

Because the FSPTCA imposes additional legal requirements on the marketing and sale of cigarettes, you should ensure that you are in compliance with those requirements. For example, since September 22, 2009, the use of certain characterizing flavors (other than tobacco or menthol) in cigarettes has been prohibited. You can find additional information at www.fda.gov/TobaccoProducts/default.htm, and sign up for FDA email updates at www.fda.gov/TobaccoProducts/ResourcesforYou/ucm176164.htm.

This approval is effective on the date of this letter and runs through March 13, 2015, or until the authority to approve cigarette health warning statement plans moves from the FTC to the FDA, whichever comes first.

If you have any questions regarding this approval, please contact Caitlyn Brady at (202) 326-2848.

Very truly yours,

Mary K. Engle

Re: Rotation Plan: Cheyenne, Decade and aura brands

Dear Ms. Engle,

Cheyenne International, LLC (the "Company") is a tobacco products manufacturer (ATF permit # TP-NC-645). The Company's fiscal year is the calendar year. We currently manufacture three brands of cigarettes: Cheyenne, Decade and aura. With this letter we seek to renew the annual rotation plan for these brands.

**We have 11 styles of Cheyenne, all in hard box:**

- Cheyenne Red King's
- Cheyenne Gold King's
- Cheyenne Silver King's
- Cheyenne Menthol King's
- Cheyenne Menthol Silver King's
- Cheyenne Non Filter King's
- Cheyenne Red 100's
- Cheyenne Gold 100's
- Cheyenne Silver 100's
- Cheyenne Menthol 100's
- Cheyenne Menthol Silver 100's

701 S. Battleground Avenue  
Grove, North Carolina 28073
We have 10 styles of Decade, all in hard box:

Decade Red King's
Decade Gold King's
Decade Silver King's
Decade Menthol King's
Decade Menthol Silver King's
Decade Red 100's
Decade Gold 100's
Decade Silver 100's
Decade Menthol 100's
Decade Menthol Silver 100's

In our submission of March 29, 2010 for the Cheyenne and Decade brands were samples of actual cartons and packs displaying the four different required warnings. The warnings will appear exactly as shown on those samples.

We have 4 styles of aura, all in hard box:

aura robust red King Box
aura radiant gold King Box
aura sky blue King Box
aura menthol glen King Box

In our submission of May 18, 2010 for the aura brand were samples of actual cartons and packs displaying the four different required warnings. The warnings will appear exactly as shown on those samples.

The Company wishes to continue to use the option provided by Section 1333(c)(2) of the Cigarette Act. The four warnings will be displayed an equal number of times on the packs and cartons of each brand style during the one year period beginning on the date of the approval of this plan.

Included with this letter is Exhibit 1 that is a tabular statement of sales volume by brand style for the previous fiscal year, as well as the anticipated sales for the one year period covered by the respective rotation plan for the brands.

The way that we will ensure that all four warnings will be equally displayed on the packs and cartons of each brand style throughout the year will be through our printing process. Our printer will print cartons 4 to a sheet – each carton on the sheet will have a different warning. Similarly, the printer will print 16 packs to a sheet with the 4 different warnings repeated 4 times. Every print run of cartons and packs will therefore have an equal distribution of warnings and accordingly our manufacturing runs will have an equal distribution of warnings. The result should be an equal distribution of warnings on cigarettes sold throughout the

year. We will maintain sufficient records to demonstrate compliance with the plan. If by the end of the year equalization of warnings on packs and cartons has not been achieved, the Company will take steps, such as placing special orders of packaging, to ensure warning label equalization.

The Company is operating under the revised advertising plan filed by the Company on June 17, 2009 that was approved on June 23, 2009. The Company has made no changes to the approved plan.

If you have any questions, please do not hesitate to call me at (704) 937-7200. We appreciate your attention to our plan submission.

Sincerely,

Approximately ___% of all cigarettes sold in the US in 2013

(Highest Brand Style _______ approximately ___% of all cigarettes sold)
March 18, 2014

Mr. David A. Scott
Chief Financial Officer
Cheyenne International, LLC
701 S. Battleground Avenue
Grover, NC 28073

Dear Mr. Scott:

The Federal Trade Commission has delegated to the Associate Director for Advertising Practices its authority to review cigarette health warning display plans submitted to the Commission pursuant to Section 1333(c) of the Federal Cigarette Labeling and Advertising Act, 15 U.S.C. § 1331 et seq. ("the Cigarette Act"). Pursuant to that delegation, I have reviewed a proposed plan filed by Cheyenne International, LLC ("Cheyenne"), on March 12, 2014, calling for simultaneous display (i.e., the alternative to quarterly rotation) of the four health warnings on packaging for certain varieties of the Cheyenne, Decade, and ‘aura’ brands of cigarettes.

Cheyenne’s sales appear to qualify for the aforementioned alternative to quarterly rotation of the warnings on packaging, and the warnings on the sample packs and cartons submitted with your letters dated March 29, 2010 (Cheyenne and Decade) and May 18, 2010 (aura) continue to meet the requirements of the Cigarette Act in force as of the date of this letter for size and conspicuousness. Accordingly, Cheyenne’s plan for simultaneous display of the four health warnings on packaging is hereby approved for the following varieties:

- Eleven box varieties of the Cheyenne brand: Red Kings, Red 100’s, Gold Kings, Gold 100’s, Silver Kings, Silver 100’s, Menthol Kings, Menthol 100’s, Menthol Silver Kings, Menthol Silver 100’s, and Non-Filter Kings;
- Ten box varieties of the Decade brand: Red Kings, Red 100’s, Gold Kings, Gold 100’s, Silver Kings, Silver 100’s, Menthol Kings, Menthol 100’s, Menthol Silver Kings, and Menthol Silver 100’s; and

Cheyenne stated in its March 12, 2014 letter that the four health warnings will appear exactly as shown on the sample packs and cartons submitted on these dates.
Four box varieties of the aura brand: robust red Kings, radiant gold Kings, sky blue Kings, and menthol glen Kings.

Approval of the plan is contingent on its good faith implementation. We may ask for information demonstrating proper implementation of the plan. The Cigarette Act provides that any person who violates its provisions is guilty of a misdemeanor.

Please note that this letter only approves Cheyenne’s cigarette health warning statement rotation plan with respect to the statutory requirements in force prior to the June 22, 2009 enactment of the Family Smoking Prevention and Tobacco Control Act (“FSPTCA”) concerning the rotation, size, and conspicuousness of the warnings on Cheyenne’s packaging. Moreover, it is not in any way an approval of any other design element, statement, or representation made on packaging or in advertising for Cheyenne’s cigarettes. Nor does this letter purport to interpret or express any opinion about the adequacy of Cheyenne’s packaging and advertising under the FSPTCA or any regulations that have been or might be promulgated by the Department of Health and Human Services under that statute, including but not limited to the Regulations Restricting the Sale and Distribution of Cigarettes and Smokeless Tobacco to Protect Children and Adolescents (published March 19, 2010).

Because the FSPTCA imposes additional legal requirements on the marketing and sale of cigarettes, you should ensure that you are in compliance with those requirements. For example, since September 22, 2009, the use of certain characterizing flavors (other than tobacco or menthol) in cigarettes has been prohibited. You can find additional information at www.fda.gov/TobaccoProducts/default.htm, and sign up for FDA email updates at www.fda.gov/TobaccoProducts/ResourcesforYou/ucm176164.htm.

This approval is effective on the date of this letter and runs through March 17, 2015, or until the authority to approve cigarette health warning statement plans moves from the FTC to the FDA, whichever comes first.

If you have any questions regarding this approval, please contact Bonnie McGregor at (202) 326-2356.

Very truly yours,

Mary K. Engle
