Experience Two Machines in One With FlexWash and FlexDry From Samsung

New innovations from [Samsung](#) will change the way you look at laundry day. The [Samsung FlexWash](#) introduces a revolutionary design that lets you wash two cycles at once thanks to a smaller unit on top of a main washer. Separate delicates from towels, colors or bright whites, then clean it all simultaneously. [Samsung FlexDry](#) can dry two separate ways. Place items that need gentle care in the delicates dryer on top and bulkier items in the main drum. Consider laundry day done.
