You may use an endnote to provide the stipulation.

Subject: How on the Form do I stipulate to the size of person?

In item 4(b) of the form, the instructions say that if the most recent financial reports do not show sales or assets sufficient to meet the size of person test, and the size of person test is relevant given the size of the transaction, the filing person must stipulate in item 4(b) that it meets the test .
My question is how in item 4(b) of the Form do I stipulate to the size of person since there is no check box or other readily apparent mechanism in item 4(b) by which the stipulation can be entered?
Thanks for your help.
