Based upon the facts you have provided, the SOT would be \$495 million and the fee would be \$100,000. Please describe the entire scope of the transaction in Item 3(a), though.

Best regards,

Kristin

Subject: Filing Fee Question/ Post 2/27

Dear All:

Assume A is buying the stock of B for \$420 million. The acquisition will also include the acquisition of US and foreign IP for an acquisition price of approximately \$90 million, with the foreign IP valued at approximately \$15 million.

In this context, it seems to me that the appropriate fee would be \$100,000 for a March filing. Do you agree?

Thank you.
