Please see the Statement of Basis and Purpose, 89 Fed. Reg. 89,216 at 89,279 (Nov. 12, 2024): “In the situation where the only individuals supervising the strategic assessment of the deal are already either an officer or director, filers can state that this is the case and identify an officer or director as the supervisory deal team lead.”

Subject: Supervisory Deal Team Lead

Hello,

I have a question about the Supervisory Deal Team Lead (SDTL). What are the search and filing obligations if the person primarily responsible for supervising the strategic assessment of the transaction is an officer of the filing person? They would fall outside the definition of an SDTL and their documents would already be potentially responsive. Must an SDTL be named in every filing? If so, how would that be possible in the scenario described?

Thanks in advance.

Best,
