**ORDER ON JOINT REQUEST REGARDING
CITATION TO WITNESS TESTIMONY**

This Application for Review arises in connection with a June 11, 2024 final arbitration decision (the “Arbitration”) conducted pursuant to the Horseracing Integrity and Safety Act of 2020. In a Joint Request for Clarification on Citations, the parties have informed me that, although there is video recording of the Arbitration, there is no written transcript. To conduct a *de novo* review efficiently, I require a written transcript of the Arbitration.

The parties have offered to arrange for a third-party to prepare a transcript from the video of the Arbitration and to share the cost. The parties also request leave for an extension of time to comply with the deadlines set forth in the August 5 Order to allow for time for the third party to prepare the transcript and for the parties to review it and incorporate citations to the written transcript in their Proposed Findings of Fact, Conclusions of Law, and Supporting Briefs. This request is **GRANTED**.

1. The parties shall confer on the amount of time they need and shall submit a Joint Request for an Extension of Time by **August 13, 2024**.

2. The parties are still required to file a joint Appeal Book with the evidentiary record presented below, not including the written transcript of the Arbitration and denominated “Appeal Book Part 1,” by **August 8, 2024**. Once available, the transcript shall be separately filed and denominated “Appeal Book Part 2.”
