**ORDER VACATING STATUS CONFERENCE**

The parties' May 14, 2026 Joint Status Report states that they "have reached a stipulation to replace the unrecorded testimony of Dr. Tony Pickard," and attaches the stipulation covering Dr. Pickard's unrecorded testimony. Accordingly, it is hereby **ORDERED**:

1. The status conference set in paragraph 2 of my May 6, 2026 Order is unnecessary and thus **VACATED**.

2. I hereby determine, under FTC Rule 1.146(c)(2), that the parties do not seek to supplement the facts found by the Authority, and will decide this proceeding on the arbitration record and the parties' briefs on this review.

3. A subsequent Order will set the schedule for briefing on Dr. Scott's application for review.
