06/04/2025	FOIA-2025-01717	Brown, Rachel	News Media	I am requesting FTC documents on an investigation into a potential violation of social media marketing and influencer disclosure rules governing material connections to a brand and/or products by the brand Naturium, which was owned by a company called The Center and is now owned by a company called E.l.f. Beauty, and an influencer named Susan Yara. Susan Yara recently said publicly that she was cleared by the FTC for any violation of FTC rules governing disclosure as it pertains to her relationship with Naturium. I would like to validate what she's said publicly by looking at the records.	Beauty Independent	(b)(7)(E);Glomar

My case is unique as it I provide full audio of thoughts be it word or music seamlessly and video from my visual cortex. Since 2022 this information has been licensed, sold, and pawned off as some one, or at times some things (animal) else's information. One who claims to be a willing participant using wired helmet BCI tech in a enclosed ecosystem environment. In reality, as Jiji Jayakaran application for wireless BCI through radio waves can detail - which oddly is a breakthrough device from someone who zero medical or science background - is being used against the law - on me specifically. My data is being sold for a profit in daily collection against my will amounting to human trafficking, I have been extorted, blackmailed, physically assaulted, harassed, wiretapped, identity theft rampant daily, I have been denied housing and jobs due to defamation, libel, and slander to employers and landlords. This coordinated attack first stemmed while I was living in Brooklyn which the perpetrators in and around my building. This data is being sold to collectors like AI firms - Scale AI, Surge AI, X.AI, Meta, Apple, Alphabet, Amazon, Synchron, Neuralink, Precision Neuroscience, Neurable, OpenBCI. Some have taken the deal to have this data knowing it is illegally obtained and amounts to torture and terrorism and a human rights violation. Instead some of these companies have engaged the violators on a independent contractor off the books financial arrangement. They have taunted me they are fine doing jail time, expect a pardon, and will have enough money to leave the country, I have been told when they 1) broke into my apartment 2) online, 3) when physically attacked that they are selling this information as if it comes from a woman and possibly a couple other individuals under the guise of 600 patients wearing BCI helmets with FDA exemptions like OpenBCI gets. The damages are physical health ( i have become partially paralyzed at times, constant migraines, vomiting, and losing my sight and balance) in acute attacks that even my neurologist has no explanation for but to refer me to top scientists in the country to find help.
